Uniform Policy

Focus
A Uniform dress code reinforces in students a pride in their own appearance, their school and creates a genuine school spirit of belonging. Issues of equality, health, safety and expense are also factors that contribute to the establishment of the school dress code. School uniform is also useful in identifying our students in the community and encourages good behaviour.

Aims
The School aims to develop loyalty to peers and a sense of belonging. The School Uniform adds to the atmosphere, prestige, tone and spirit of the school.

Reasons for Uniform Code
After consultation with the school community, School Council has developed a Uniform Code that:

- provides a choice for the students
- allows students to safely engage in many varied school activities
- allows students to feel that they fit in with their peers
- prevents pressure to wear the “right” brands
- assists with routines at home
- is cost effective and practical
- allows easy identification of unauthorised visitors

Purchasing Uniform
The Uniform Code lists the options for all uniform items. All items are available for purchase from the Primary School Wear outlets, school uniform shop and online.

Infringement Notice
School uniform is compulsory, and infringements will result in an Infringement Notice being sent home to request an explanation of why the student was not wearing the correct uniform.
