

Remote Learning Resources

At Berwick Fields, we have subscriptions to a number of online resources, that you can access at home, to further support your child's learning.

library.sunshineonline.com.au

Sunshine Online is a library of 800+ readers, similar to our take home readers. Log in and select from a range of levelled readers, which also include audio versions.

The school username and password is available from your child's teacher.

Bug Club

Phonics

activelearnprimary.com.au

Similar to Sunshine Online, ActiveLearn contains hundreds of levelled readers and accompanying activities. The books can be read online, or listened to in audio format.

Each F-2 student has an individual login for Active Learn.

[Engage Literacy](#)

Engage Literacy is another online reading collection we have access to at Berwick Fields.

This site does not need a username and password, however it does require you to click on the special Berwick Fields link above, or via the Online Library page on our school website.

ENGAGE
Literacy

The logo for Mathletics is the word "Mathletics" in white text on a blue rounded rectangular background.

Mathletics

www.mathletics.com.au

App also available for iPad.

Mathletics includes guided instructional activities on a range of maths concepts, as well as maths fluency revision games and activities.

Each student has an individual Mathletics login.

www.literacyplanet.com

App also available for iPad.

Literacy Planet provides access to gamified activities for practising spelling, grammar, punctuation and comprehension.

Each student has an individual Literacy Planet login.

If you need your child's logins for any of the resources above, please contact their classroom teacher or contact the school on **8786 9988**.
