

How can you and your family contribute to classroom learning?

Do you have an interest in the environment?

Can you assist in the kitchen or garden?

Can you connect with the classroom via Skype from work so the kids can see and discuss your workplace?

Do you have a musical talent or can help with a production?

Does your work link with an inquiry topic?

Do you have a science speciality?

Do you have an artistic flair?

Do you work with money and could share as part of a maths lesson?

Can you read with a small group of students?

Do you write as part of your job?
Can you share your experiences with the kids?

**Grandparents, aunts & uncles are great helpers too.
To get involved please contact your classroom teacher.**
