

Child Safe Standards Risk Register

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
Child Safe Standard 1 – Aboriginal cultural safety						
<p>Risk Title: Culturally safe environments</p> <p>Description: There is a risk to Aboriginal children's safety if the school fails to establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and students are respected and valued</p> <p>Risk type: Situational, Organisational</p>	<ul style="list-style-type: none"> Racism, discrimination and bullying not adequately managed and addressed Ignorance/lack of awareness Curriculum that doesn't include Aboriginal Australians An unwelcoming environment for Aboriginal children Policy development and review is not consultative 	<ul style="list-style-type: none"> Aboriginal children experience physical and psychological harm or abuse because the environment is not culturally safe. Aboriginal children are less likely to trust school staff which may result in them being less likely to report harm or abuse by adults or peers, and make them more vulnerable to harm Aboriginal children do not feel welcome, safe, respected or valued for their diverse and unique identifies which may result in them being less likely to report harm or abuse by adults or peers and make them more vulnerable to harm 	<ul style="list-style-type: none"> Our Child Safety and Wellbeing Policy outlines the controls in place to establish a culturally safe environment and is implemented Controls to address racism, discrimination and bullying are outlined in the Bullying Prevention Policy, the Aboriginal, Wellbeing, Learning and Safety Policy, Inclusion and Diversity Policy and the Student Wellbeing and Engagement Policy. All assemblies, community events and presentations start with an Acknowledgement of Country to the Bunerong people. 	Yes	<ul style="list-style-type: none"> We have a goal to complete whole school CUST training in 2026. (Assistant Principal for Wellbeing) Exploring the possibility of an Indigenous mural on the school grounds. (Principal and Wellbeing members) Reposition our Flags and get an additional flagpole so that the Torres Straight Island flag can be added (Buildings and Grounds) 	<ul style="list-style-type: none"> 2026 2025/26
Child Safe Standard 2 – School leadership, governance and culture						
<p>Risk Title: Leadership, governance and culture</p> <p>Description: There is a risk to children's safety if child safety and wellbeing is not embedded in the school's leadership, governance and culture</p> <p>Risk type: Organisational, Propensity</p>	<ul style="list-style-type: none"> Children's safety is not prioritised Decision-making power is concentrated in one individual Unclear accountabilities Staff and volunteers are unaware of the school's expectations relating to their conduct and role in supporting child safety and wellbeing Culture of secret keeping Poor management of conflicts of interest Lack of leadership on child safety Poor understanding of the foreseeable risks relating to harm or abuse Poor recordkeeping and information management practices Absence of or poor child safety messaging 	<ul style="list-style-type: none"> Children experience physical harm or abuse because of leadership, governance and cultural failures Children are harmed or abused and it remains undetected or without an appropriate response because the school does not have a culture of child safety and reporting of child safety incidents or concerns Children are harmed or abused because staff and volunteer roles and responsibilities to prevent or report harm or abuse are not clearly communicated Harm or abuse continues due to poor practices and understanding of information sharing obligation resulting in staff or volunteers not sharing important information to protect children from harm or abuse or conversely, sharing sensitive information inappropriately contributing to further harm to children. Poor records and record-keeping limits the ability of new principals to become aware of previous concerning staff behaviour 	<ul style="list-style-type: none"> Our Child Safety Policy outlines the controls in place to ensure a child safe culture is embedded across the school and is implemented Our Child Safety Code of Conduct is adopted and actively enforced by school leadership. Inconsistent staff, contractor or volunteer conduct is swiftly addressed. Our Child Safety Responding and Reporting Obligations Policy and Procedures outlines the actions staff must take to report concerns relating to child safety and our leaders ensure staff are aware of and follow these procedures Our Child Safety Policy and Code of Conduct are publicly available and promoted in the school community This risk register is reviewed annually and after any significant child safety incident or concern Our Volunteers Policy supports volunteers to understand their obligations on information sharing and recordkeeping PROTECT posters and the Four Critical Actions are displayed around the school 	Yes	<ul style="list-style-type: none"> Continue to upskill staff via Mental Health in Primary Schools training, including bi-termly area meetings (Assistant Principal for Wellbeing) Ensure that relevant staff maintain their access to Child Link Revisit relevant policies whenever Child Safe issues are raised in addition to the regular review dates. 	<ul style="list-style-type: none"> Ongoing Ongoing Ongoing

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
		<ul style="list-style-type: none"> Poor records and record-keeping practices contribute to delays or failures to identify and respond to child safety risks and incidents, causing obstructions to survivors seeking information about their time at the school and compromising the school's ability to monitor for systemic issues that required changes to policy, procedure or practice. 	<ul style="list-style-type: none"> Records management obligations are met through adherence to the Records Management – School Records Policy and all staff and relevant volunteers understand their obligations on information sharing and record keeping through induction, training and support from leadership. Having a clear Organisational Structure so that staff know who is responsible for what and who their uplines are. Child Safety and Wellbeing are prioritised at staff meetings and appropriate fortnightly Wellbeing meetings are held with each subschool so that we can ensure we are continuing to hold ourselves and our school community responsible for safety and wellbeing of our students. Have allocated staff delegated access to Child Link Have allocated staff undertake Mental Health in Primary School training. 			
Child Safe Standard 3 – Children are safe, informed and actively participate						
<p>Risk Title: Student empowerment</p> <p>Description: There is a risk to children's safety if students are not empowered about their rights, able to participate in decisions affecting them or are not taken seriously</p> <p>Risk type: Vulnerability</p>	<ul style="list-style-type: none"> Children don't know how to make a complaint or raise a concern or don't feel confident that they will be listened to Students don't understand their rights Student input in decision making is not supported or valued Student contributions or concerns are not taken seriously Students are not offered sexual abuse prevention education Students are coerced or silenced by adults at the school Lack of friendship or peer support Students with a disability or students that are at our school with very little English may not understand how and when to raise concerns. 	<ul style="list-style-type: none"> Children experience harm or abuse due to lack of knowledge and empowerment Children do not feel supported to participate in decisions that affect them and do not feel like they will be listened to, reducing the likelihood that students will seek help or report harm or abuse Children are not empowered with information about their rights, child safety risks, and sexual abuse prevention, which increases the risk of harm or abuse going unidentified and unspoken Children do not feel confident or empowered to raise a concern and are unwilling to report harm or abuse Children experience increased vulnerability to harm or abuse due to a lack of friendship or peer support Children don't feel confident to discuss safety concerns with their peers, making it more likely that harm or abuse will go unidentified and unspoken 	<ul style="list-style-type: none"> Our Child Safety Policy outlines the controls in place to support child and student empowerment and is implemented Complaints Policy details how students can raise complaints and concerns and is promoted widely to parents and students Student Wellbeing and Engagement Policy outlines the controls in place to ensure student wellbeing is supported and prioritised Students are provided with age-appropriate sexual abuse prevention programs and relevant related information through Resilience, Rights and Respectful Relationships teaching and learning materials Students are educated about their rights through Wellbeing lessons in the classroom. Friendship and peer support are promoted through Buddy classes, Friendship seats, the Buddy Bear program and working in subschools. The school has a Chill Out Zone which focuses on helping students to have an additional avenue to have agency and voice in their education and wellbeing. Allocating Student Wellbeing leaders for the school. Having a robust Student Leadership program 	Yes	<ul style="list-style-type: none"> Establishing a Peer Support program at the school (Wellbeing Leader) 	<ul style="list-style-type: none"> 2025/26
Child Safe Standard 4 – Family engagement						
<p>Risk Title: Families and community involvement</p> <p>Description: There is a risk to children's safety if their families and communities are not informed or</p>	<ul style="list-style-type: none"> Unwelcoming staff Lack of appreciation of the value of community consultation and engagement The school does not offer information to families and communities or avenues to contribute to policies and decisions relating to child safety and wellbeing 	<ul style="list-style-type: none"> Children experience harm or abuse due to an issue that may have been resolved if families and communities were engaged in child safety Children do not feel safe or able to actively participate in school life (see Child Safe Standard 1 and 3) because child safety and wellbeing practices were developed without input from families, resulting in practices that do not cover all the diverse needs of all students 	<ul style="list-style-type: none"> Our Child Safety Policy outlines the controls in place to engage families and is implemented All child safety and wellbeing policies and procedures are publicly available and promoted in the school community Families and the school community are invited to have a say in the development and review of child safety and wellbeing policies, procedures and 	Yes	<ul style="list-style-type: none"> Extending our Breakfast Club to five days a week. (Breakfast Club Coordinator and Youth Support Worker) 	<ul style="list-style-type: none"> 2025

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
<p>involved in promoting child safety and wellbeing</p> <p>Risk type: Organisational</p>	<ul style="list-style-type: none"> Lack of staff training, cultural sensitivity or willingness to engage families and communities 	<ul style="list-style-type: none"> Children are not protected because families and communities are not engaged in child safety at the school and less likely to be able to support the school to reduce risk by keeping an eye out for unsafe behaviours and raising concerns Children are at increased risk of harm or abuse because families cannot help students identify harm or abuse Children who want to make a complaint are not supported by their families Children may be more vulnerable to harm or abuse due to children and their families being groomed by perpetrators seeking to obtain their trust, and families being unaware of the signs of grooming, harm or abuse 	<p>practices through School Council, Newsletters and the School Website.</p> <ul style="list-style-type: none"> Ensure that the community is a big part of our school via communications and events that include said community. These include being invited to whole school assemblies and events, year level assemblies, seeking parent helpers within the school and encouraging all staff to be welcoming and responsive to community input. The creation of Breakfast Club to welcome in the community and have this be an important touch point with our community. Running Getting to Know You interviews at the beginning of each year. 			
Child Safe Standard 5 – Equity and diverse needs						
<p>Risk Title: Diversity and equity</p> <p>Description: There is a risk to children from diverse cohorts and their safety, if equity is not effectively upheld and diverse needs are not respected in policy and practice</p> <p>Risk type: Vulnerability</p>	<ul style="list-style-type: none"> Diverse cohorts have not been identified for targeted support (such as students with disability, students who identify as lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+), students in out of home care, international students and students who are culturally and linguistically diverse) Diverse cohorts not supported adequately Diverse cohorts feel unwelcome Lack of staff training on diversity and supporting and responding to vulnerable students Lack of respectful culture Incidents of discrimination or humiliation are not effectively addressed and managed 	<ul style="list-style-type: none"> Children from diverse cohorts are more vulnerable to harm or abuse because their needs are not respected or accommodated Children from diverse cohorts do not feel safe, or are not adequately supported for their diverse and specific needs, experience greater risk of harm or abuse and harm and will be less able or willing to report their concerns Children experience discrimination which increases a child's vulnerability to harm or abuse and harm and can also mean they are less likely to ask for help or speak up if they have a concern 	<ul style="list-style-type: none"> Our Child Safety Policy outlines the controls in place to support equity and diverse needs and is implemented Our Student Wellbeing and Engagement Policy outlines how the school pays particular attention to the needs of students with disability, students from culturally and linguistically diverse backgrounds, students who are unable to live at home, international students, and lesbian, gay, bisexual, transgender, intersex and queer (LGBTIQ+) students Child safety information, support and complaints processes are culturally safe, accessible and easy to understand Regular revision of our Bullying Prevention Policy Regular revision of our Inclusion and Diversity Policy Our school implements: <ul style="list-style-type: none"> Resilience, Rights and Respectful Relationships and Building Respectful Relationships teaching and learning materials Respectful Relationships whole school approach Running an event for Harmony Day each year. Our kitchen program running recipes from around the world, deliberately including a variety of cultures. 	Yes	<ul style="list-style-type: none"> Developing more robust processes around Bullying Management and prevention (Wellbeing Team) 	<ul style="list-style-type: none"> 2025
Child Safe Standard 6 – Suitable staff and volunteers						
<p>Risk Title: Suitable staff (including contractors engaged by the school in child-related work)</p> <p>Description: There is a risk to children's safety if staff are not suitable to work with children or effectively</p>	<ul style="list-style-type: none"> Poor recruitment and pre-employment screening processes Provision of false information during recruitment Poor management of conflicts of interest Insufficient induction on commencement of working at school Inappropriate behaviour by other adults is not called out due to lack of 	<ul style="list-style-type: none"> Children experience harm or abuse due to unsuitable staff being appointed at the school Children are harmed because the school does not sufficiently promote its commitment to child safety during recruitment processes, which fails to deter potential predators from seeking employment Children are harmed because during recruitment, history and behaviours of concern relating to suitability to work with children are not identified 	<ul style="list-style-type: none"> Our Child Safety Policy outlines the controls in place: <ul style="list-style-type: none"> for child safe recruitment and screening practices for staff. to ensure staff are provided with an appropriate induction in the school's child safety policies and practices. to ensure ongoing supervision and management of staff is focused on child safety and wellbeing All actions and strategies outlined in our Child Safety Policy are implemented 	Yes		

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
<p>supported to uphold child safety and wellbeing in practice</p> <p>Risk type: Organisational, Propensity</p>	<ul style="list-style-type: none"> empowerment or awareness of behaviours of concern Insufficient promotion of the school's commitment to child safety Lack of child safety culture Insufficient supervision Performance management does not focus on or address concerns relating to child safety and wellbeing 	<ul style="list-style-type: none"> Children are harmed because conflicts of interests in recruiting staff means child safety is not responded to in an objective manner Children are harmed because staff are not provided with sufficient child safety induction and ongoing child safety training which means staff fail to identify child safety risks and signs of harm, and are unable to respond and report appropriately when they form a reasonable belief that harm has occurred Children are harmed because the school provides insufficient supervision of teaching practice and performance management for existing staff Children are harmed because the school takes inadequate steps to address concerning staff behaviour Children are harmed because staff do not understand their role and responsibilities in promoting and supporting child safety 	<ul style="list-style-type: none"> Robust reference checking when hiring staff, utilising Child Safe questions. 			
<p>Risk Title: Suitable Volunteers</p> <p>Description: There is a risk to children's safety if volunteers are not suitable to work with children or effectively supported to uphold child safety and wellbeing in practice</p> <p>Risk type: Organisational, Propensity</p>	<ul style="list-style-type: none"> Screening processes lack sufficient strength to reveal histories and behaviours of concern Systems, processes, policies and culture do not demonstrate sufficient strength and transparency to deter potential perpetrators from attempting predatory behaviours Conflict of interest Lack of child safety culture Insufficient induction and training Insufficient supervision 	<ul style="list-style-type: none"> Children experience harm or abuse due to unsuitable volunteers being appointed at the school Children are harmed because the school does not sufficiently promote its commitment to child safety, which fails to deter potential predators from volunteering at the school Children are harmed because volunteers are not provided with sufficient child safety induction which means staff fail to identify child safety risks and signs of harm, and are unable to respond and report appropriately when they form a reasonable belief that harm has occurred Children are harmed because volunteers receive insufficient supervision Children are harmed because the school takes inadequate steps to address concerning behaviour (for example removing volunteer from duties or otherwise ensuring the volunteer does not demonstrate further behaviours of concern) 	<ul style="list-style-type: none"> Volunteer Policy outlines the controls in place to ensure volunteers are suitable to work with children including screening, induction, and ongoing management and supervision Volunteers engaged to help supervise on camps or other similar events may be asked to undertake additional screening processes including proof of identity (where this has not already been established), and references addressing suitability for working with children. Volunteers that are working with children or that may have access to students in unsupervised or high-risk settings will always be supervised by a member of school staff Volunteer behaviour that is inconsistent with the school's child safety and wellbeing policies and practices will be addressed by school staff swiftly and with a focus on child safety and wellbeing. 	Yes	<ul style="list-style-type: none"> Regularly revise and improve our WWC processes (Admin staff) 	<ul style="list-style-type: none"> 2025
Child Safe Standard 7 – complaints processes						
<p>Risk Title: Complaints processes</p> <p>Description: There is a risk to children's safety if processes for complaints and concerns: are not designed to be child focused and cannot be readily accessed, understood and used by children and the school community; do not provide clear guidance on responding to complaints and</p>	<ul style="list-style-type: none"> The complaints process is not publicly available Complaints processes are not written in simple plain English Children, parents and carers do not trust the process, or find the complaints process culturally unsafe or incompatible with their culture or religious practices Children, parents and carers do not feel supported to make complaints or raise concerns Children's input in decision making is not valued 	<ul style="list-style-type: none"> Children experience harm or abuse because complaints processes are not able to be used by children Children and their families do not report behaviours of concern, harm or abuse because the complaints process is inaccessible, culturally unsafe, incompatible or unable to be understood Children do not feel safe to report behaviours of concern, harm or abuse Children experience additional harm because the actions in the complaints process are inappropriate or result in insufficient action being taken to protect children Children experience harm or abuse because safety policies and procedures are not effectively documented or are difficult to understand, resulting in staff (particularly new staff) being unaware of 	<ul style="list-style-type: none"> Our Complaints Policy outlines the controls in place to ensure students are provided with accessible, culturally safe and easily understood information on raising a complaint or concern Our Child Safety Responding and Reporting Obligations Policy and Procedures outlines the procedures for responding to complaints or concerns relating to harm or abuse The Complaints Policy and Child Safety Responding and Reporting Obligations Policy and Procedures are publicly available on the school website The Complaints Policy and Child Safety Responding and Reporting Obligations Policy and Procedures are implemented by all relevant staff Our Child Safety and Wellbeing Policy sets out all recordkeeping, privacy and information sharing 	Yes		

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
<p>concerns, including reporting to relevant authorities.</p> <p>Risk type: Organisational, Vulnerability</p>	<ul style="list-style-type: none"> Children, parents and carers concerns/complaints are not taken seriously Staff child safety responding and reporting obligations are not clearly described and communicated The school's complaints process is not child-friendly or easy to follow 	<p>their child safety obligations, roles and responsibilities</p> <ul style="list-style-type: none"> Children are exposed to an increased level of danger due to a person who uses violence in their household (family violence) being made aware of an incident, suspicion or disclosure of harm or abuse being communicated by the school without consideration of safety in the home environment 	<p>obligations that must be met when responding to complaints and concerns.</p> <ul style="list-style-type: none"> All complaints and concerns are managed in accordance with employment law obligations and our school seeks advice from Employee Conduct Branch and Legal Division when dealing with complaints and concerns relating to harm or abuse by a member/former member of staff or school council employee or contractor 			
Child Safe Standard 8 – Child safety knowledge, skills and awareness						
<p>Risk Title: Knowledge, skills and awareness</p> <p>Description: There is a risk to children's safety if staff and volunteers are not equipped with the knowledge, skills and awareness to keep children and students safe through ongoing education and training</p> <p>Risk type: Organisational</p>	<ul style="list-style-type: none"> Child safety and wellbeing training not provided to staff and school council annually Child safety and wellbeing training is not refreshed or updated where policy, practice or law has changed Volunteers are not required to undertake child safety training that is appropriate to the nature of their role Training does not cover all necessary topics Training is poorly facilitated New staff may not understand the particular risks that can arise for students who require assistance with toileting. <p>Also refer to Child Safe Standard 6 risks above</p>	<ul style="list-style-type: none"> Children experience harm or abuse due to staff and volunteers being inadequately equipped with the knowledge and skills to prevent harm or abuse or identify and respond to instances of harm or abuse if they occur Children experience harm because staff and volunteers do not know how to identify child safety risks including inappropriate behaviour and signs of harm Children experience harm because the school's child safety and wellbeing policies and practices are poorly understood by staff and volunteers Children are exposed to continued harm due to lack of staff knowledge, skills and awareness to stop harm or abuse from occurring 	<ul style="list-style-type: none"> Our Child Safety Policy outlines the controls in place to ensure school council and school staff receive appropriate annual guidance and training on child safety and is implemented Our Volunteers policy provides information on training for volunteers. Volunteers that are engaged to assist supervision on camp and other similar events are provided with child safety training that is appropriate to the activity and the volunteer's role. Ensure staff training on Child Safety knowledge, skills and awareness are part of our Setting up for Success at the start of the year and are revisited at appropriate times throughout the year. 	Yes		
Child Safe Standard 9 – Physical and online environments						
<p>Risk Title: School physical environment</p> <p>Description: There is a risk to children's safety if the school's physical environment is not safe, or if risks in this environment are not managed or eliminated effectively</p> <p>Risk type: Situational</p>	<ul style="list-style-type: none"> Areas of child safety risk in the school buildings or grounds are not identified, appropriately supervised or managed. There is a wetlands within our school grounds that sometimes has a small amount of water in it. We utilise the council oval during recess, lunchtimes and for physical educations and sporting events and activities. This space is sometimes also used by the general public. 	<ul style="list-style-type: none"> Children experience harm or abuse because the school physical environment is unsafe Harm or abuse (either by adults or other students) occurs on school grounds or buildings because the school fails to identify and manage areas of risk in the school's physical environment Children experience harm on school grounds because the school's built environment does not provide for adequate supervision, line of sight or visibility Children are groomed, harmed or abused by adults connected to the school because the school environment limits supervision or visibility of staff-student interactions 	<ul style="list-style-type: none"> Yard Duty and Supervision Policy outlines supervision processes and requirements with a focus on child safety Yard duty staff are trained to actively patrol the school grounds, paying particular attention to secluded areas that have been identified as high risk including the oval, the wetlands and playground areas. Child safety and wellbeing policies, procedures and practices are in place to enable staff and volunteers to identify and mitigate risks in the physical school environment without compromising a child or student's right to privacy, access to information, social connections and learning opportunities, including our Child Safety and Wellbeing Policy and Child Safety Code of Conduct Visitor and contractor sign-in process and requirement that visitors/contractors wear a lanyard Regular reminders to staff to approach unaccompanied visitors at the school and monitor the school perimeter Reduced entry and exit points at the school during school time, with gates and signage that directs all visitors to access the site via the Administration Office 	Yes		

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
			<ul style="list-style-type: none"> • If we have a shortage of teacher yard duty, the teachers are either replaced, or an area may be closed to ensure that all open areas are supervised effectively. • Garden sheds and store cupboards are locked unless in use, with controlled access to keys • School grounds are well lit for after school activities • Students are required to go to the bathroom with another student during class time • Toilets and changing rooms are located in a central area of the school and the entrance and exit has good visibility from other areas of the school • Senior school students must remain at school during study blocks. Attendance is monitored by supervising staff • Upper primary and lower primary students use different bathrooms • When works are being completed on the school grounds, works are fenced off and there is no interaction between students and building contractors 			
<p>Risk Title: Online environment</p> <p>Description: There is a risk to children's safety if the school's online environment is not safe, or if risks in this environment are not managed or eliminated effectively</p> <p>Risk type: Situational</p>	<ul style="list-style-type: none"> • Child safety risks in the school's online environment are not identified and appropriately managed. • Students are not provided with education about online risks and appropriate online behaviours. • Online safety measures fail to adapt to emerging technologies and child safety risks • Online communication channels between adults working in the school and students are not monitored or have insufficient safeguards to prevent inappropriate one to one communication 	<ul style="list-style-type: none"> • Children experience harm or abuse because the school's online environment is unsafe • Children experience harm if policies, procedures and practices fail to identify and manage areas of risk in the school's online environment • Children are groomed online • Children are harmed or abused as a result of undetected grooming • Children are harmed by other students as a result of the school environment not providing for adequate boundaries, supervision and oversight of online school activities 	<ul style="list-style-type: none"> • Digital Learning Policy outlines the controls in place for online conduct and online safety and is implemented • Acceptable Use Agreements are in place and enforced • Child safety and wellbeing policies, procedures and practices are in place to enable staff and volunteers to identify and mitigate risks in the online school environment without compromising a child or student's right to privacy, access to information, social connections and learning opportunities, including our Child Safety and Wellbeing Policy and Child Safety Code of Conduct • Staff undertake a privacy impact assessment for apps and other platforms in use by the school which includes the risk of access to children or personal information by people external to the school. • Our school complies with the department's Cybersafety and Responsible Use of Digital Technologies policy and Digital Learning in Schools policy • The school organises a presentation from the local police on cyber safety. • The school engages with cyber safety presentations and other opportunities from organisations such as Kids Help Line etc... • Phones must be signed in at the office if brought to school. 	Yes		
<p>Risk Title: Off-site school activities and use of third-party providers</p> <p>Description:</p>	<ul style="list-style-type: none"> • School staff fail to identify and manage risks of harm or abuse occurring during off-site school activities • School staff fail to identify and manage risks of harm or abuse by third-party providers engaged by the school 	<ul style="list-style-type: none"> • Children experience harm or abuse because the school does not adequately manage safety with third-party providers • Children are harmed because policies, procedures and practices fail to identify and manage areas of 	<ul style="list-style-type: none"> • Our school complies with relevant policies with respect to the following activities, including policy relating to child safety and wellbeing: <ul style="list-style-type: none"> ◦ Excursions ◦ Procurement 	Yes		

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
<p>There is a risk to children's safety if the school's child safety policies, procedures and practices do not adequately address and manage the risk of harm or abuse at school activities off-site and/or school activities involving third party providers.</p> <p>Risk type: Situational, Organisational, Propensity, Vulnerability</p>	<ul style="list-style-type: none"> School does not consider child safety during procurement processes School does not consider child safety during procurement processes 	<p>risk for off-site school activities and school activities that involve third-party providers</p> <ul style="list-style-type: none"> Children experience harm or abuse because they are transported by adults connected with the school in private vehicles without appropriate oversight from school leadership 	<ul style="list-style-type: none"> NDIS Funded Therapy in Schools Work Experience For others, see the Policy and Advisory Library Our school completes an Excursions Risk Register and Emergency Management plan when required under the department's Excursions policy, including for overnight stays, and identifies, records and implements the controls in place to reduce the risk of students being harmed by child safety incidents occurring on the excursion. For off-site school activities and school activities engaging a third-party provider, we identify and assess the risks of harm or abuse that are specific to that activity and ensure appropriate controls are in place. This includes activities such as: sporting clinics, camps and excursions run by third-party providers. Procurement and third parties: We require contractors to provide their Working with Children Clearance upon entry to the school. We provide contractors with a copy of the Child Safety Code of Conduct and Child Safety and Wellbeing Policy All third-party providers are required to enter into agreements with the school that include appropriate child safety obligations 			
Child Safe Standard 10 – Review of child safety practices						
<p>Risk Title: Review and improvement</p> <p>Description: There is a risk to children's safety if the implementation of the Child Safe Standards is not regularly reviewed and improved</p> <p>Risk type: Organisational</p>	<ul style="list-style-type: none"> Failure to regularly review child safety policies, procedures and practices (every 2 years) or following any significant child safety incident Failure to use analysis of complaints, concerns and safety incidents to inform possible improvements to child safety policies, procedures and practices Failure to inform families and communities of the outcome of reviews of child safety policies, procedures and practices 	<ul style="list-style-type: none"> Children are harmed because safety policy, procedures and practices are out of date with any new laws or guidance on good child safety practice Children are harmed because child safety policy, procedures and practices no longer meet the needs of the local school community Children are harmed because child safety policy, procedures and practices are not improved as a result of analysis of past complaints, concerns and safety incidents, reducing the school's ability to protect students from harm or abuse and to respond appropriately to complaints and concerns 	<ul style="list-style-type: none"> A register of the school's policies relating to the child safe standards, including approvers and review cycles is used to support staff to maintain and update our policies A working group (led by the child safety champion) is established to review child safety policies and procedures We determine the causes of child safety incidents and monitor for repeat issues or systemic failures, updating any child safety policy, procedure or practice where gaps or improvements are identified We inform families through our school's newsletter when child safety and wellbeing policies are being reviewed and ensure they are invited to provide feedback Child Safety is a standing agenda item in staff and school leadership meetings 	Yes		
Child Safe Standard 11 – Implementation of child safety practices						
<p>Risk Title: Policies and procedures</p> <p>Description: There is a risk that policies and procedures do not effectively document how the organisation is safe for children and students and are not effectively</p>	<ul style="list-style-type: none"> Policies and procedures are developed, but not implemented by school staff Policies and procedures do not address all actions and measures required under the Child Safe Standards Policies and procedures are not informed by best practice models and family and community engagement 	<ul style="list-style-type: none"> Children experience harm or abuse because child safety policies and procedures are not implemented effectively or at all Children will experience harm because child safety policies and procedures fail to address all aspects of the Child Safe Standards, result in gaps in protection of children and increased risk of harm or abuse 	<ul style="list-style-type: none"> Our suite of child safety and wellbeing policies and procedures address all aspects of the Child Safe Standards Our staff and relevant volunteers are inducted and trained on our child safety and wellbeing policies, procedures and practices and are supported to implement them Our school leaders champion and model our child safety policies, procedures and practices and 	Yes		

RISK TITLE AND DESCRIPTION	RISK ASSESSMENT		EXISTING CONTROLS	CONTROLS ASSESSMENT	NEW TREATMENTS AND WHO IS RESPONSIBLE?	BY WHEN?
<i>Provide a risk title and short description.</i>	<i>Describe the causes of the child safety risk.</i>	<i>Describe the consequences for children if the child safety risk happens</i>	<i>Describe the existing child safety and wellbeing controls you have in place to mitigate the child safety risk</i> <i>Sample content is provided below</i>	<i>Taken together, are the controls adequate to reduce the risk and harms to a tolerable level?</i>	<i>If controls need to be strengthened, describe any new controls you will implement to mitigate the child safety risk and who is responsible for the new treatments?</i>	<i>When will this be done?</i>
implemented by staff and volunteers Risk type: Organisational	<ul style="list-style-type: none"> Staff and relevant volunteers are not provided with an adequate induction or ongoing training and are not properly supported to implement the policies and procedures due to lack of modelling and support from leaders Policies and procedures are difficult to understand Policies and procedures are not realistic or feasible Policies and procedures are unsuitable and may cause additional harm or danger to children 	<ul style="list-style-type: none"> Children are exposed to inappropriate behaviour, groomed, harmed or abused because the school failed to induct, train and support staff and relevant volunteers to implement child safety policies and procedures properly If child safety policies and procedures are not effectively documented or are difficult to understand it may result in staff (particularly new staff) being unaware of their child safety obligations, roles and responsibilities increasing the risk of harm or abuse If child safety policies and procedures are not informed by best practice or family and community engagement it may compromise the school's ability to protect children from harm or abuse. 	<ul style="list-style-type: none"> address any performance concerns relating to staff conduct or implementation Our Child Safety Champion regularly reviews PROTECT guidance and other relevant policies to ensure our own local child safety policies, procedures and practices are informed by best practice and updated where required.
