

## PRINCIPAL'S MESSAGE

Dear Berwick Fields Community,

### Congratulations to all students who commenced NAPLAN

This week our Grade 3 & 5 students commenced NAPLAN, completing their Writing and Reading tests.

I am very proud of all students who have participated to the best of their abilities and have been respectful of all other learners in the test environment.

Please congratulate your children at home for giving NAPLAN a 'red hot go'!

Next week students will complete their Language Convention and Numeracy tests.

### Student Leaders Badge Presentation

Congratulations to all our Student Leaders and Junior School Council representatives who were presented their badges at our Leadership Badge Ceremony this week.

Thankyou to all families and friends who attended our celebration. We are very privileged to have such a wonderful group of young leaders in our community.

I look forward to continuing to work with our student leaders and JSC representatives on capturing student voice and working together on improvement projects within the school and beyond.

Jo Tippett  
Acting Principal

## REMINDERS

 Mobile phones are not permitted at school, if brought to school all students are reminded to switch them off and sign them into the front office

All students riding to and from school are reminded that they must wear a helmet

## Grade 2 Community Incursion

Last week our Grade 2 Inquiry unit commenced with an incursion focusing on 'Looking at our Community'.

The Grade 2's are learning about different people in our community and how they help us. The students were able to learn about when the SES support and help our community and had the opportunity to ask questions.

This week it was my absolute pleasure to be the community guest for our Grade 2 Community Incursion.

I was able to share my journey to becoming a Principal and talk about how the work of a Principal can help our students, staff and community.

I really enjoyed the opportunity to connect with the students and answer all their questions.

I thank the Grade 2 cohort for the invitation and congratulate all student for their respectful behaviour and thoughtful and engaging conversation.

# HARMONY DAY

MARCH 21, 2025

Harmony Day is the celebration that recognises our diversity and brings together Australians from all different backgrounds.

It's about inclusiveness, respect and a sense of belonging for everyone.

We wear orange on Harmony Day (or during Harmony Week) in Australia to symbolize social communication, meaningful conversations, freedom of ideas, and the encouragement of mutual respect, showing support for cultural diversity and an inclusive Australia.

Celebrate Harmony Day with us at Berwick Fields by:

- Wearing Cultural Clothing
- Wearing Orange
- Ordering from the Canteen's Special Menu

EVERYONE BELONGS

**EVERY DAY COUNTS**

## **EVERYDAY COUNTS**

### **ATTENDANCE FACT SHEET FOR PRIMARY SCHOOL STUDENTS**

School is better when you're here

#### **DO I HAVE TO GO TO SCHOOL?**

Yes, in Victoria everyone aged from 6 – 17 has to go to school.

Missing one day a fortnight is the same as missing 4 whole weeks of school a year.

From Foundation to Year 12 that adds up to 1.5 years of school!

School is better when you attend. Your friends and your teachers notice that you are away and wonder if you are OK.

#### **WHY IS IMPORTANT THAT I GO TO SCHOOL EVERY DAY?**

Right now, being at school is the most important thing you need to do for your future. School helps you build good habits for later on in life. You might think school is just about Maths and English but you're also learning about how to work with other people and how to solve problems.

Being at school every day also means you are becoming more independent as a learner and interacting with your friends and teachers. If you are at school, you can get help from your teachers and friends and won't have to try to learn things in your own time.

Being an adult probably seems far away but we know that young people who attend school more frequently have better outcomes after school too. This means they earn more money, have better job opportunities and are generally healthier. So being at school really does make a difference!

#### **DO MY PARENTS NEED TO LET THE SCHOOL KNOW IF I'M GOING TO BE AWAY?**

Yes. Your parents need to notify the school of your absence as soon as they can within three days of your absence. If they know you are going to be away, they should try to tell the school before the day or days you are away.

If you're away from school too much and don't have a reasonable excuse like a serious illness, your parents might get a letter from the principal asking about why you're away.

#### **ARE THERE ANY GOOD REASONS TO BE AWAY FROM SCHOOL?**

No. Unless you are so sick you can't get out of bed or there is an event like a funeral, you should be at school. Every day you are away is a day of classes and social connection you miss out on. Taking a day off for your birthday or go shopping isn't a good reason to miss school.

Even medical and health appointments should be made either before or after school or during the school holidays. This includes family holidays. Your parents are encouraged not to plan holidays during the term but to organise these during the school holidays.

## EVERY DAY COUNTS

If you do have to be away for some reason, your parents need to contact the school and let them know what's going on. Depending on the situation, the school might provide schoolwork for you to complete.

### IF I'M NOT AT SCHOOL WHAT DO I MISS OUT ON?

You miss out on all the big stuff – class discussions and all the interaction that happens in a classroom, the chance to get help from teachers and the opportunity to practice skills and gain knowledge.

Being away means you might miss out on a lot of learning or that you need to catch up in your time.

If all of that isn't enough to convince you to be at school every day, being away also means you also miss out on playing with your friends. Being away from school a lot can be lonely. It has a big impact on relationships and social connections.

Believe it or not, everyone wants you at school and it really is better when you attend.

### WHAT IF I'M HAVING PROBLEMS GETTING TO SCHOOL?

Getting to school on time everyday can be about having a good routine.

If you find yourself running late or missing school because you're disorganised, try:

- Asking your parents for help getting ready
- Having a set time to go to bed
- Leaving all technology out of your bedroom
- Packing your school bag the night before with everything you need
- Having a set time for breakfast
- Planning to meet up with a friend so you can travel to school together.

Sometimes, though it can just be hard to go to school.

You might feel overwhelmed by the work or things might be tough with your friends. Maybe you don't feel safe at school, or you really dislike a teacher or things at home aren't great. Perhaps you're feeling down or anxious and don't even really know why.

Whatever the situation is, staying away from school isn't the answer. Many people want to help you. Try talking to:

- Your parents or another adult family member
- A trusted teacher
- Wellbeing Coordinator or the school counsellor
- Another trusted adult like your coach

# NAPLAN

Good afternoon Grade 3 and 5 Families,

From the 12<sup>th</sup> to the 21<sup>st</sup> of March, students will complete the four different NAPLAN tests that consist of reading, writing, language conventions and mathematics.

Attached is the testing schedule. Both year levels will be completing the tests at the same time.

NAPLAN tests are just one part of our school learning assessment program and questions are primarily based on knowledge, understanding and skills gained from the prior year of schooling. NAPLAN tests do not replace the extensive, ongoing assessments made by teachers about each student's performance. Your child's teachers will have the best insight into your child's educational progress.

If you wish for your child to not participate in the NAPLAN tests, please print and fill out the Withdrawal Form on page 6.

If you are unable to print it out, please contact your classroom teacher and we can provide one for you.

Withdrawals are due in by Wednesday 5<sup>th</sup> March so please have them back to us by this date.

Attached is some extra information about NAPLAN if you would like to read any further into it or you can head to this website <https://www.nap.edu.au/naplan>

If you have any further questions, please feel free to email me.

Regards,  
Samantha Lane

# ICAS 2025 Important Dates

ICAS (International Competitions and Assessments for Schools) is a series of assessments conducted by UNSW Global. It typically offers a range of subjects such as English, Mathematics, Science, and Writing. In May we will be starting the process of ICAS registrations and offering English and Mathematics.

Keep an eye on Compass and the Newsletter for more updates in May.

## END OF THE DAY PICK UP

Please avoid walking through the buildings before the end of the school bell has rung to enable our students to finish off their learning and not to miss out on any important instructions for the next day. Please pick up students from the exterior door and avoid using all internal doors and hallways.

### WHAT'S BEEN HAPPENING

Good day families!

Over the last couple of weeks we had very exciting events such as our Teddy bear picnic, Valentines day and world wildlife day.

Teddy bear picnic: We celebrated a Teddy bear picnic to welcome our children to Term 1. The children brought their little soft toys and teddy's to TeamKids and played some games with them such as pass the Teddies, Tea party with Teddies, Parachute the Teddies, Twister and Musical chairs with Teddies. We also had a photo booth to take photos with our big Teddy. The children also enjoyed face painting and painted their teddies from the picture book. We cooked healthy teddies and rice cake koalas for our special day. The children also got to decorate teddy bear biscuits using sprinkles.

World wildlife day: Last week, we did activities themed on wild life. We set up sensory play using kinetic sand and jungle animals. The children got the opportunity to decorate jungle themed animal masks. We also made muddy play dough using cocoa powder, and the children created Jurassic world using natural resources. Additionally, we made a bouncy tiger, paper roll bear, etc in our art and craft activities. The children were observed having so much fun during both the events.
