Issue #04

PRINCIPAL'S MESSAGE

Dear Berwick Fields Community,

Welcome to Full-Time Learning for Our Foundation Students:

We are excited to share that from next Monday, 3rd March, our Foundation (Prep) students will begin attending school full-time. It has been wonderful to see them settle into their new routines, build friendships, and embrace their learning with enthusiasm. As they transition to a full week of school, we appreciate your ongoing support in ensuring they arrive on time, well-rested, and ready for a great day of learning. We look forward to watching them continue to grow and flourish in their first year of school!

As we continue to work together to create a safe and welcoming environment for our students, we would like to remind everyone of a few key parking guidelines. These rules are essential for the safety of our children and the smooth operation of our school day.

Double Parking:

We've noticed an increase in double parking during pick-up and drop-off times. Double parking creates dangerous situations for students and drivers. We kindly ask all parents and guardians to park properly in designated spots to ensure everyone's safety.

Bus Flag Areas: Gwendoline Drive No Parking

Additionally, please do not park in areas where bus flags are displayed. These areas are designated for buses to safely pick up and drop off students. Parking in these zones obstructs bus routes and may delay student pick-ups and drop-offs. It is crucial to keep these spaces clear for the buses' safe and efficient operation.

Your cooperation in following these guidelines is greatly appreciated. By doing so, we can ensure a safer, more organised environment for our children.

Thank you for your attention to these important matters, and for your continued support!

Jo Tippett
Acting Principal

EVERYDAY COUNTS

ATTENDANCE FACT SHEET FOR PRIMARY SCHOOL STUDENTS

School is better when you're here

DO I HAVE TO GO TO SCHOOL?

Yes, in Victoria everyone aged from 6 – 17 has to go to school.

Missing one day a fortnight is the same as missing 4 whole weeks of school a year.

From Foundation to Year 12 that adds up to 1.5 years of school!

School is better when you attend. Your friends and your teachers notice that you are away and wonder if you are OK.

WHY IS IMPORTANT THAT I GO TO SCHOOL EVERY DAY?

Right now, being at school is the most important thing you need to do for your future. School helps you build good habits for later on in life. You might think school is just about Maths and English but you're also learning about how to work with other people and how to solve problems.

Being at school every day also means you are becoming more independent as a learner and interacting with your friends and teachers. If you are at school, you can get help from your teachers and friends and won't have to try to learn things in your own time.

Being an adult probably seems far away but we know that young people who attend school more frequently have better outcomes after school too. This means they earn more money, have better job opportunities and are generally healthier. So being at school really does make a difference!

DO MY PARENTS NEED TO LET THE SCHOOL KNOW IF I'M GOING TO BE AWAY?

Yes. Your parents need to notify the school of your absence as soon as they can within three days of your absence. If they know you are going to be away, they should try to tell the school before the day or days you are away.

If you're away from school too much and don't have a reasonable excuse like a serious illness, your parents might get a letter from the principal asking about why you're away.

ARE THERE ANY GOOD REASONS TO BE AWAY FROM SCHOOL?

No. Unless you are so sick you can't get out of bed or there is an event like a funeral, you should be at school. Every day you are away is a day of classes and social connection you miss out on. Taking a day off for your birthday or go shopping isn't a good reason to miss school.

Even medical and health appointments should be made either before or after school or during the school holidays. This includes family holidays. Your parents are encouraged not to plan holidays during the term but to organise these during the school holidays.

EVERY DAY COUNTS

If you do have to be away for some reason, your parents need to contact the school and let them know what's going on. Depending on the situation, the school might provide schoolwork for you to complete.

IF I'M NOT AT SCHOOL WHAT DO I MISS OUT ON?

You miss out on all the big stuff – class discussions and all the interaction that happens in a classroom, the chance to get help from teachers and the opportunity to practice skills and gain knowledge.

Being away means you might miss out on a lot of learning or that you need to catch up in your time.

If all of that isn't enough to convince you to be at school every day, being away also means you also miss out on playing with your friends. Being away from school a lot can be lonely. It has a big impact on relationships and social connections.

Believe it or not, everyone wants you at school and it really is better when you attend.

WHAT IF I'M HAVING PROBLEMS GETTING TO SCHOOL?

Getting to school on time everyday can be about having a good routine.

If you find yourself running late or missing school because you're disorganised, try:

- Asking your parents for help getting ready
- Having a set time to go to bed
- Leaving all technology out of your bedroom
- Packing your school bag the night before with everything you need
- Having a set time for breakfast
- Planning to meet up with a friend so you can travel to school together.

Sometimes, though it can just be hard to go to school.

You might feel overwhelmed by the work or things might be tough with your friends. Maybe you don't feel safe at school, or you really dislike a teacher or things at home aren't great. Perhaps you're feeling down or anxious and don't even really know why.

Whatever the situation is, staying away from school isn't the answer. Many people want to help you. Try talking to:

- Your parents or another adult family member
- A trusted teacher
- Wellbeing Coordinator or the school counsellor
- Another trusted adult like your coach

NAPLAN 2025

Good afternoon Grade 3 and 5 Families,

From the 12th to the 21st of March, students will complete the four different NAPLAN tests that consist of reading, writing, language conventions and mathematics.

Attached is the testing schedule. Both year levels will be completing the tests at the same time.

NAPLAN tests are just one part of our school learning assessment program and questions are primarily based on knowledge, understanding and skills gained from the prior year of schooling. NAPLAN tests do not replace the extensive, ongoing assessments made by teachers about each student's performance. Your child's teachers will have the best insight into your child's educational progress.

If you wish for your child to not participate in the NAPLAN tests, please print and fill out the Withdrawal Form on page 6.

If you are unable to print it out, please contact your classroom teacher and we can provide one for you.

Withdrawals are due in by Wednesday 5th March so please have them back to us by this date.

Attached is some extra information about NAPLAN if you would like to read any further into it or you can head to this website <https://www.nap.edu.au/naplan>

If you have any further questions, please feel free to email me.

Regards,
Samantha Lane

NAPLAN

National Assessment Program - Literacy and Numeracy Information for parents and carers

- All students in Years 3, 5, 7 and 9 in Australia do NAPLAN tests in March each year.
- NAPLAN tests students' skills in reading, writing and maths.
- The test questions are presented in Standard Australian English dialect.
- Students read some of the questions and listen to others with headphones.
- The tests will get easier or harder, depending on how students are going in the test.
- Students do four different tests. The names of the four tests are:

Writing

Reading

Conventions of language
(spelling, grammar and punctuation)

Numeracy

- Students in Year 3 will do the Writing test using pencil and paper. Year 3 students will answer the other test questions on the computer.
- Students in Years 5, 7 and 9 will answer all their test questions on computers.
- Teachers will help students get ready for NAPLAN tests.
- Schools will get their students' results. The school will then give parents/carers a report showing their own child's results.
- Parents/carers can talk to the teacher about these results.
- NAPLAN shows how students are going all over Australia. People who work in the Australian Government, state and territory education authorities and schools use NAPLAN results. The results let them see which schools are doing well and which schools might need help.

Talk to your teacher if you have any questions about your child doing the tests.
For more information on NAPLAN, visit nap.edu.au.

NATIONAL ASSESSMENT PROGRAM – LITERACY AND NUMERACY (NAPLAN)

Student Withdrawal Form 2025

COLLECTION NOTICE: The Victorian Curriculum and Assessment Authority (VCAA) is a statutory authority continued under the Education and Training Reform Act 2006 (Vic). The VCAA collects the information requested in this form, which includes personal information as defined in section 3 of the Privacy and Data Protection Act 2014 (Vic) for the purpose of recording students whose results are withdrawn from the NAPLAN tests. The personal information collected in this form will be used by VCAA employees and/or contractors. Unless the VCAA is authorised or required by law to do so, the VCAA will not use or disclose the personal information collected in this form except for the abovementioned purpose. If the information requested in this form is not provided, the student's participation will be recorded as presented on the day of testing. An individual may request access to personal information the VCAA holds about them, if any, and request its correction if inaccurate. Initial enquiries regarding access to personal information held by the VCAA in relation to the NAPLAN tests can be made by contacting the NAPLAN helpdesk on 1800 648 632. The VCAA Privacy Policy can be found at <https://www.vcaa.vic.edu.au/Footer/Pages/Privacy.aspx>

In specific circumstances students may be withdrawn from the testing program by their parent/carer. This is a matter for consideration by individual parents/carers in consultation with their child's school. School staff must not influence parents/carers to withdraw their child. Withdrawals are intended to address issues such as religious beliefs and philosophical objections to testing.

The parent/carer must sign this form. This form must be retained at the school and may be subject to audit by the VCAA.

ICAS 2025 Important Dates

ICAS (International Competitions and Assessments for Schools) is a series of assessments conducted by UNSW Global. It typically offers a range of subjects such as English, Mathematics, Science, and Writing. In May we will be starting the process of ICAS registrations and offering English and Mathematics.

Keep an eye on Compass and the Newsletter for more updates in May.

END OF THE DAY PICK UP

Please avoid walking through the buildings before the end of the school bell has rung to enable our students to finish off their learning and not to miss out on any important instructions for the next day. Please pick up students from the exterior door and avoid using all internal doors and hallways.

2026 Kambrya School Zone

(School Zones are subject to change by DE at any time in Term 1 each year):**

Priority enrolments are provided to students within our current School Zone** as set out by the Department of Education. We foresee that students living within our school zone or with older siblings enrolled for 2026 will most likely bring the school to full capacity in Year 7 for 2026. Those living outside our school zone are still invited to attend the transition evening and a school tour for more information, however due to our current Enrolment Implementation Plan, enrolment applications from outside our zone are unlikely to be successful. **This applies to all students, including those wishing to apply for specific curriculum/sporting/other programs (SEAL, ADP, MDP).**
